IBN Provider #46

Advanced Cardiac Life Support Provider Program

Repeated: January 25-26, April 26-27, 2017, July 26-27, October 25-26

St. Luke's Hospital

Mary Greif Education Room (RC #13)

1026 A Ave NE, Cedar Rapids, Iowa 52402

Purpose: The purpose of Advanced Cardiac Life Support (ACLS) is to help all course participants succeed in acquiring the skills and knowledge they need for their professional role in resuscitation attempts.

Continuing Education: IBON Provider No. 46 awards 8.75 contact hours for the initial ACLS class and 4.0 contact hours for the Renewal class. (Only one similar course title may be used during your license renewal period.)

Faculty: Medical Director for St. Luke's ACLS Program: Dr. Dustin Arnold. Molly Eilers BSN, RN. St. Luke's certified ACLS instructors who are professional nurses, paramedics and respiratory therapists active in all areas of adult critical care and education.

Target Audience: Registered nurses and other interested healthcare professionals

Cost: All Participants: \$100 for provider course (includes textbook); \$50 for renewal course. *Free to STL associates who are required to have ACLS for their position. If requesting continuing education contact hours, your fee will be \$20 for the initial class or \$5 for the renewal class.

Textbooks: ACLS textbooks may be purchased in Staff Development for \$40 or checked out on a first come, first served basis.

Pre-requisite: Participants must have taken a Basic Dysrhythmia course prior to class. Rhythm strips are shown in ACLS, and without prior knowledge of how rhythms look, it is hard to pass the course.

RENEWAL DATES AND TIMES

Table with 2 columns: Renewal Dates and Times. Rows include 3:30 to 7:30 pm and 12:30 to 4:30 pm for various dates in 2017.

All Renewal classes are held in the Mary Greif Education Room (Formerly known as RC #13)

Register for ALL classes on-line: https://www.unitypoint.org/cedarrapids
Select "Classes and Events"

Objectives:

The Advanced Cardiac Life Support educational objectives include:

1. Perform an evaluation and manage the first ten minutes of a witnessed, adult, ventricular fibrillation cardiac arrest.
2. Perform the primary "ABCD" Survey of the cardiac patient including: early access, early CPR, airway management, use of the automatic external defibrillator and conventional defibrillator.
3. Perform secondary "ABCD" survey of the cardiac patient including: more definitive skills in airway, breathing and circulation with endotracheal intubation, proper ventilation techniques, initiation of IV, use of pharmacological agents, recognition of arrhythmias and the use of resuscitation algorithms in cardiac arrest management.
4. Describe patient management in the post-resuscitation period.
5. Participate in the assessment and team management of nine cases of ACLS: Respiratory Arrest, Pulseless Ventricular Fibrillation/Tachycardia with AED Ventricular Fibrillation/Tachycardia Refractory to Initial Defibrillation, Pulseless Electrical Activity, Asystole, Acute Myocardial Infarction, Bradycardia, Stable Tachycardia and Unstable Tachycardia.
6. Integrate the AED with adult CPR skills.

SCHEDULE – Initial

Day 1:

- 7:45 Registration
- 8:00 Small Group Skills Teaching Stations
- Airway Intubation. CPR-D
 - Electrical Therapy/IV Techniques
 - Rhythms/Drugs/Algorithms
- 10:15 **Break**
- 10:30 Small Group Skills Teaching Stations
- 12:30 Lunch (on your own)
- 13:30 Small Group Skills Teaching Stations/Practice of ACLS cases
- 15:00 Adjourn for the day

Day 2:

- 8:00 Small Group Skills Teaching Stations
Demonstrate/Practice/Evaluation of ACLS cases
- 11:00 Conclusion/Evaluation

SCHEDULE – Renewal

- Prior to Class Registration
- 15 min ACLS Course Overview and Organization
- 30 min The Science of Resuscitation and Systematic Approach
- 90 min Small Group Skill Testing Stations
- 15 min Technology Review
- 90 min Team Dynamics and Learning Station - Megacode
- After Class Evaluation

Fees/Cancellation/Refund

- The registration fee includes workshop materials, processing fee, and a certificate of attendance.
- We reserve the right to cancel this program due to insufficient registration or inclement weather. If cancellation occurs, we will attempt to reach you. If the weather causes cancellation, announcements will be made on area radio stations. In either event a full refund will be given to you.
- If maximum registration has been reached, your check will be returned in full. You may withdraw your registration if we receive a written request three business days before the program. A \$3.00 processing charge will be retained. For more information please contact: Staff Development/ Continuing Education Department at 319-369-8750.

Continuing Education Credit

- St. Luke's Nursing Continuing Education will award credit only on the basis of full completion of the program. Each participant will receive a certificate of attendance. A record of your participation will be on file at St. Luke's Hospital for 4 years following the program completion.
- Duplicate copies of your contact hour certificate are available upon written request to Nursing Continuing Education for a minimal charge. Please send us your name, license number, and a \$5.00 processing fee for the duplicate certificate. A certificate of attendance will be mailed to you within two weeks of your request.

Grievance

The Nursing Continuing Education Dept. should be contacted for any problems or concerns. A copy of the grievance policy is available upon written request.

It is St. Luke's Hospital policy to provide healthier services to all persons regardless of race, color, creed, age, sex, national origin, ancestry, religion or handicap.
