

1-2-3 Baby Beanie

Fits infants 0-3 months.

- needles: size 4 dpns
- darning needle for weaving in ends
- Gauge: 21 st and 28 rows over 4" in stockinette

To make the hat:

Evenly CO 65 st onto three dpns; join, being careful not to twist your work: slip 1st st from first needle to third needle; pass last CO st over slipped st, pull tightly to make a secure connection, then proceed as follows:

Garter rows:

row 1: purl around
row 2: knit around
rows 3 - 6: repeat rows 1 and 2

Stockinette rows:

rows 7 - 10: knit each row

For three sections of the garter stitch striping: Repeat rows 1-10 twice then continue in stockinette stitch until beanie measure 4.5" from the beginning, then begin decreasing.

Decrease rows:

row 1: k6, k2 tog around
row 2: knit all stitches
row 3: k5, k2 tog around
row 4: knit all stitches
row 5: k4, k2 tog around
row 6: knit all stitches
row 7: k3, k2 tog around
row 8: knit all stitches
row 9: k2, k2 tog around
row 10: knit all stitches
row 11: k1, k2 tog around
row 12: knit all stitches
row 13: k2 tog around; 8 stitches remain on needles

Cut yarn, thread onto darning needle, and sew through remaining loops; draw tightly and push needle through to wrong side of hat. Tie off, weave in end, and find a cute baby who needs a beanie! Sizes: 0-3 months.
