

SAVE THE DATES... For the ECC Spring 2017 Educational Conference Series

What

The American Heart Association is presenting a series of day-long educational conferences, featuring leading resuscitation experts speaking on the latest in CPR and ECC science, education, and training. Conferences also include breakout sessions and opportunities for networking with peers and ECC event sponsors.

2017 Program Topics Include

- Systems of Care
- Science to Education
- ACLS for Experienced Providers
- High-Performance Team Training
- Use of Mobile Devices, Social Media, and Crowdsourcing as Digital Strategies to Improve Emergency Cardiovascular Care
- Implementing New Science Protocols: Linking Resources and Outcomes Data
