

Resident – Emergency Response Plan

Upon hearing an overhead **Disaster** announcement, or receiving an emergency text or call from the institution indicating the same, residents will report as instructed to the following locations:

IMMC/BCH

Internal Medicine Residents

If on rotation at IMMC, report to IMMC Intensive Care Unit for assignment by pulmonary critical care physician on duty.

Pediatric Residents

Report to Blank Emergency Department for assignment by pediatric ED physician.

Surgery Residents

If on rotation at IMMC, report to IMMC adult Emergency Department for assignment by trauma surgeon.

Podiatry Residents

If on rotation at IMMC, report to the IMMC adult ED for assignment by trauma surgeon. *If on rotation at Lakeview Surgical Center, report to the MWH ED.*

Transitional Year Residents

Report to the IMMC Intensive Care Unit.

ILH

Family Medicine Residents

Report to the ILH Emergency Department for assignment by ED physician.

MWH

Upon request based on need.
