New Physician Joins Iowa Methodist Occupational Medicine *Nick Bingham, MD, MS, Now Practicing in Ankeny Clinic*

(Ankeny, IA)

Iowa Methodist Occupational Health & Wellness welcomed Nick Bingham, MD, MS, to our Ankeny occupational medicine clinic on March 22, 2012. Dr. Bingham is available in Ankeny Monday through Friday from 8:00 a.m. to 5:00 p.m. Iowa Methodist Occupational Health & Wellness operates the only full-service occupational medicine clinic in Ankeny, offering work-related injury care, employment physicals, DOT services, drug and alcohol testing, and more.

Dr. Bingham is a Board Certified Occupational Medicine physician specializing in work-related injury care and employee health and safety. Bingham has more than 3 years of clinical experience in occupational medicine, most recently at Heartland Occupational Medicine in St. Joseph, MO. Prior to that, he was Chief Resident in Occupational Medicine at the University of Texas Health Center in Tyler, TX.

Bingham also brings a unique perspective to his practice of occupational medicine. Before entering the field of medicine, he worked for more than 11 years as an insurance field investigator specializing in workers' compensation cases in Illinois. His depth of experience in dealing with employers, as well as his desire to help workers return to work quickly and safely, led him to pursue a new career path in occupational medicine.

#

Iowa Methodist's Ankeny occupational medicine clinic is located in the Family Physicians at Prairie Trail building at [2515 SW State Street, Suite 200](#) (on the corner of SW State Street and SW Oralabor Road). Dr. Bingham can be reached by phone at (515) 964-6974.

The Ankeny clinic is Iowa Methodist's third occupational medicine location in the Des Moines metro, which includes the East clinic at Penn Medical Place in Des Moines and the West clinic at Lakeview Medical Park in West Des Moines. All three locations provide full-service occupational medicine to the metro business community. With the addition of Dr. Bingham, Iowa Methodist now employs five occupational medicine providers, including three board certified in occupational medicine.
