Iowa Methodist Occupational Health & Wellness Opens Ankeny Clinic
Full-service occupational medicine clinic provides work injury care and much more

(Ankeny, IA)

Iowa Methodist Occupational Health & Wellness opened a new medical clinic in Ankeny on July 18, 2011. The clinic specializes in work injury care, job-related physical examinations, drug and alcohol testing, and other employee health services. Located within Iowa Health's Family Practice at Prairie Trail clinic, 2515 SW State Street, Suite 200, Ankeny, IA 50023, Iowa Methodist will offer occupational medicine services Monday through Friday from 8:00 a.m. to 12:00 p.m. Please see the attached flier for a map to the clinic.

Board certified occupational medicine physician Jon Yankey, MD, will practice in Ankeny. He joined Iowa Methodist on July 5, 2011, and brings 14 years of occupational medicine experience to Des Moines.

The Ankeny clinic is Iowa Methodist's third occupational medicine location in the Des Moines metro, which includes the East clinic at Penn Medical Place in Des Moines and the West clinic at Lakeview Medical Park in West Des Moines. All three clinic locations provide full-service occupational medicine to the metro business community.

Iowa Methodist Occupational Health & Wellness has been partnering with businesses since 1988 with the goal of reducing work-related injuries and expenses through preventative screenings, quality injury care, and comprehensive on-site wellness programs. The clinics exist to serve employers with the goal of increasing employee productivity and safety, including safe return to work following an injury.

#

Iowa Methodist Occupational Health & Wellness is the only hospital-based occupational medicine provider in the greater Des Moines area. The program is a department of Iowa Methodist Medical Center, a senior affiliate hospital of Iowa Health - Des Moines.
