At UnityPoint Health®, our **Patient Care Technicians/Certified Nursing Assistants*** play a pivotal role in creating the Best Outcome for Every Patient Every Time and in providing a comfortable experience for our patients and their families. Working side by side with our nursing staff, PCT/CNA team members impact people's lives as the front line hands and eyes of our care team, observing and caring for their physical, mental and emotional conditions.

Patient Care Technicians/Certified Nursing Assistants are provided with professional growth, learning and advancement opportunities through their roles with UnityPoint Health. Whether aspiring to further their education or seeking expanding responsibilities, our Technicians/Assistants are provided the finance, support and leadership needed to advance their careers.
