An interesting fact about this year's scholarship recipients is: three of the five Valedictorians for Stoughton High School were recipients of a Friends of UnityPoint Health – Meriter Scholarship this year.

The Friends of UnityPoint Health – Meriter Scholarship Committee awarded 34 scholarships in the amount of \$1,000 each. The Don Haugen Scholastic Award for Exceptional Volunteerism (in the amount of \$1,200) went to a young lady from LaFollette High School – Stacy Vue. She will be the first person in her family to go to school. She is going to Madison College for advanced CNA practitioner. Stacy is also a UnityPoint Health – Meriter volunteer at the Information Desk/At-Your-Service. Stacy started volunteering with us in September of 2017 and can be found at the Information Desk/At-Your-Service on Wednesday evenings.

Another of our volunteers – Nitin Somasundaram (Middleton High School) was also a Friends of UnityPoint Health – Meriter scholarship recipient. Nitin became a volunteer in July of 2016 and can be found at the Information Desk/At-Your-Service on Sunday afternoons.

Works of Wonder

Do you know who this is?

Tom Royston has been a Volunteer here at UnityPoint Health – Meriter since March of 2012. He shares his time with us in the following areas: At-Your-Service; Friends of Meriter Advisory Council; Information Desk; and the Meriter Foundation. “My desire to volunteer my time for others came rather late in my life, but it has been incredibly satisfying and varied experience. I can honestly say that this is the best “job” I’ve ever had.”

Tom is an AVID Milwaukee Brewers fan!! Go Crew Go!! The Brewers are currently in 1st place in the National League!

Take some time to go down to the Works of Wonder – the hallway outside of the cafeteria on Level 1.
