### Why do you choose to volunteer at St. Luke's?

### What are the benefits to you of volunteering at St. Luke's?

Contact with people.

### What do you find most rewarding about your volunteer assignment?

I enjoy assisting customers and working with the wonderful Gift Shop staff.

### How has volunteering changed your opinion of healthcare or St. Luke's?

I have been in a hospital environment for several years so it really hasn't changed.
