

January Volunteer Spotlight

Student

Emma Wallis

5 Months

Why do you choose to volunteer?

What I find the most rewarding about volunteering is simply the hard work and the knowledge that I have helped others.

What are the benefits to you of volunteering at Witwer Children's Therapy?

The benefit of volunteering at Witwer is getting to experience what it might be like to work in a small therapy clinic. It also allows me to learn how to perform several basic tasks that are required in such a setting.

What are your plans after graduation?

I have applied to College of the Ozarks, where I plan to pursue a degree in occupational therapy after I graduate.

Volunteer Area:

Witwer Children's Therapy -
Hiawatha

Lifetime Hours: 67

"Emma has been a great volunteer here at Witwer. She is always willing to help in any way she can and is always looking for extra things to do aside from her assigned tasks. She is VERY helpful and we are so thankful to have her here at Witwer. "
