Why do you choose to volunteer at St. Luke's?

It was easy. I worked at St. Luke's for 27 years. I met so many wonderful co-workers & count many still as friends. Together we focused on our mission of giving the care we want our loved ones to receive. I wasn't ready for it to end after I retired.

What would you like to see changed about your volunteer assignment?

Our team worked through 2020 and now 2021 by phone. I look forward to seeing how we will work post-pandemic.

What do you find most rewarding about your volunteer assignment?

I provide office support for the St. Luke's SHIP counselors. I enjoy making a connection with our newest clients. Enrolling in Medicare is confusing. Being able to welcome & schedule appointments with counselors who translate the guidelines makes me proud. And this service is free!

"Linda is awesome! This year the co-chairperson for SHIP/Medicare Open Enrollment was unable to be physically present at the office location. Linda, without hesitation, assumed the responsibilities of this challenging role. Her leadership, organizational skills, and "personal touch" were invaluable!"
