

November Volunteer Spotlight

Student

Anna Weber

3 Months

Why do you choose to volunteer at St. Luke's?

I am in the Occupational Therapy Assistant program at Kirkwood and I wanted some practical hospital experiences.

What do you find most rewarding about your volunteer assignment?

The therapists have been very nice and I enjoy watching the patient's progress with their therapy.

How has volunteering changed your opinion of healthcare or St. Luke's?

I am very impressed with the therapy department and see success every day.

What are the benefits to you of volunteering at St. Luke's?

I get to observe successful therapies and see the staff working together to see the benefit of each patient.

What are your future plans after graduation?

I want to work in an inpatient rehab or skilled nursing facility as an OTA.

"Anna does a great job helping our staff in any way she can. She is very attentive to the therapist's and patient needs. Our gym is immaculate when Anna helps us. We really appreciate her as she allows the therapy staff the freedom to help our patients as best we can."

~Laura Decker, PT, PMR

*Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the previous month, and your name could be randomly selected!
