

# November Volunteer Spotlight

## Student

### Devasena Manikandan

8 Months

#### Why do you choose to volunteer at St. Luke's?

I chose to volunteer at St. Luke's after hearing the great stories my sister shared with me about volunteering here. I find the opportunity to make the lives of the people who come to the hospital easier when helping them the most rewarding part.

#### What are the benefits to you of volunteering at St. Luke's?

There are many benefits such as being given the chance to improve my social skills and work ethic. Additionally, it helps me feel like I am being useful and a good person. Honestly, before volunteering here I had not known much about healthcare. However after volunteering I was educated on how much everyone related to healthcare works and dedicates themselves to the betterment of others.

#### What are your plans after graduation?

After graduating high school, I would go to a college and do my pre-law major and work to become an amazing lawyer who makes a difference by helping people!

**Volunteer Area:**

Wayfinder

**Lifetime Hours:** 73

"Devasena is a wonderful volunteer who has grown into her role as a Wayfinder. Her kindness shines through her interactions with patients and family. We are lucky to have her!"

- Alajandra Shell,  
Volunteer Coordinator

\*Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the previous month, and your name could be randomly selected!
