

# December Volunteer Spotlight

## Student

### Hasini Vaddi

**3 Months**

#### Why do you choose to volunteer at St. Luke's?

I always wanted to help people and gain experience in the medical field. When I researched, I found that St. Luke's has a wonderful aim and wants to help others.

#### What are the benefits to you of volunteering at St. Luke's?

The experience, in the future I want to become a doctor.

#### How has volunteering changed your opinion of healthcare or St. Luke's?

I always thought that since there are so many patients and visits, I thought it might be a bit less organized but seeing it very organized and helpful with volunteers or signs everywhere.

#### What are your plans after graduation?

Probably college and get a biology degree.
