AWHONN Advanced Fetal Heart Monitoring

August 1, 2017

7:45 am to 4:15 pm

**Unity Point St. Luke's Hospital – Cedar Rapids, Iowa
Women's & Children's Center, Lower Level, Classroom A**

Purpose: Advanced Fetal Heart Monitoring is a 1-day standardized course, designed for the experienced clinician. It focuses on application of advanced concepts and knowledge as they apply to complex maternal fetal case scenarios. The content presented in this workshop is based on contemporary issues, professional standards and research findings.

CEUs: 0.80

Faculty: This course is taught by AWHONN FHMPP instructors:

- Rachel Petersen BSN, RNC, C-EFM
- Julie Zimmerman MSN, RNC-OB, C-EFM, AWHONN.

Target Audience: Registered nurses who have completed AWHONN's intermediate fetal monitoring course or comparable study.

Prerequisites:

- Resource book for study two weeks prior to class

Cost: \$175 (includes CEU's and resource materials)
\$100 (without textbook)

REGISTRATION DEADLINE: July 21, 2017

Note: No refunds will be given after July 21, 2017

Objectives:

1. Identify basic physiologic principles underlying fetal heart monitoring.
2. Describe advanced physiologic principles of maternal and fetal oxygen transfer and acid-base balance.
3. Describe advanced concepts in antenatal testing, including analysis and interpretation of biophysical profiles and complex antenatal fetal heart monitoring tracings.
4. Identify physiologic principles, goals and interventions for patients undergoing antenatal testing.
5. Evaluate the effectiveness of interventions for patients undergoing antenatal testing.
6. Compare and contrast physiologic principles and causes of adult cardiac dysrhythmias with fetal cardiac dysrhythmias.
7. Analyze fetal cardiac dysrhythmia patterns and describe outcomes associated with these patterns.
8. Analyze complex fetal heart monitoring patterns-including uterine rupture, maternal fetal hemorrhage and abruption-utilizing NICHD FHM nomenclature and definitions.
9. Apply perinatal risk management principles, communication techniques, and documentation strategies related to complex and challenging patient care scenarios.

Schedule:

7:45 – 8:00	Registration
8:00 – 8:05	Introduction
8:05 – 8:45	NICHD Terminology Review
8:45 – 9:45	Maternal Fetal Physiology
9:45 – 10:00	Break
10:00 – 11:00	Antepartum Fetal Assessment
11:00 – 12:15	Dysrhythmias and Arrhythmias
12:15 – 1:00	Lunch (on your own)
1:00 – 2:15	Complex Case Scenarios
2:15 – 2:30	Break
2:30 – 3:00	Complex Case Scenarios
3:00 – 4:00	Documentation, Communication and Risk Management
4:00 – 4:15	Evaluations

Fees/Cancellation/Refund

- The registration fee includes workshop materials, processing fee, and a certificate of attendance.
- We reserve the right to cancel this program due to insufficient registration or inclement weather. If cancellation occurs, we will attempt to reach you. If the weather causes cancellation, announcements will be made on area radio stations. In either event a full refund will be given to you.
- If maximum registration has been reached, your check will be returned in full. You may withdraw your registration if we receive a written request three business days before the program. A \$3.00 processing charge will be retained. For more information please contact: Staff Development/ Continuing Education Department at 319-369-8750.

Continuing Education Credit

- St. Luke's Nursing Continuing Education will award credit only on the basis of full completion of the program. Each participant will receive a certificate of attendance. A record of your participation will be on file at St. Luke's Hospital for 4 years following the program completion.
- Duplicate copies of your CEU certificate are available upon written request to Nursing Continuing Education for a minimal charge. Please send us your name, license number, and a \$5.00 processing fee for the duplicate certificate. A certificate of attendance will be mailed to you within two weeks of your request.

Grievance

The Nursing Continuing Education Dept. should be contacted for any problems or concerns. A copy of the grievance policy is available upon written request.

It is St. Luke's Hospital policy to provide healthier services to all persons regardless of race, color, creed, age, sex, national origin, ancestry, religion or handicap.
