Why do you choose to volunteer at St. Luke's?

The few times I've been a patient at St. Luke's I saw the care and compassion by all I came in contact with. Therefore, when looking for volunteer opportunities my first thought was to look at St. Luke's.

What do you find most rewarding about your volunteer assignment?

In my position in the volunteer office I get to interact with a lot of great volunteers who come in for their assignment excited to make the day better for patients and staff.

What do you get to do in your free time?

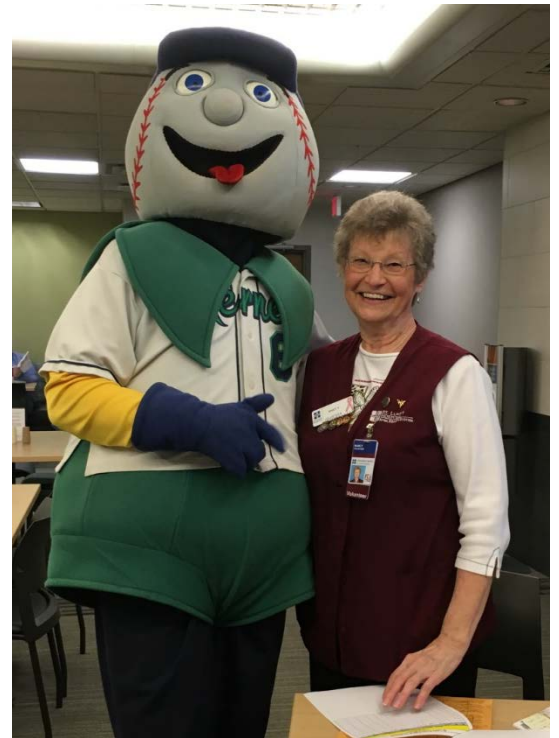

Spending time with family, following grandkids sports and other activities, golf, sewing, reading, jigsaw puzzles, and Sudoku

What is your favorite TV show?

I watch very little TV, when I do it would be Hawkeye sports, the Cubs, PGA golf, and some pro football.
