*"Mary is great to have in the Gift Shop! Every morning when she comes in, she has to tap on the glass and say hello to the fish in the aquarium in my office. She really cares about her job and people...After she won her volunteer award last year, I added up her hours that she has volunteered, and it totaled 6 years of a person working a full-time job. Now that is a lot of giving!" Karen (Floral & Gifts Supervisor)*

*"The one thing that I notice about Mary is that she comes in with a smile on her face and always asks staff how they are doing." Therese Michels (Breast & Bone Manager)*

*"Mary has nicknamed herself "The Sterilizer" as she weekly wipes down our phones and computers (to eliminate germs)."*

*"Mary is a delight and inspiration to us all!"*

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in that month, and your name could be randomly selected! Winners will receive a Wehrenberg and be displayed in the cafeteria and Volunteer Services Hallways.
