## March 2017

### Maggie Liange

**Lifetime Hours: 1 year, 4 months**  
**Volunteer Area: A Ave. Floral and Gifts**  
**1 year, 4 months of service to volunteering!**

#### **Why do you choose to volunteer at St. Luke's?**

My family moved to Cedar Rapids from Shenzhen, China two years ago, and when my son began preschool, I had more free time, so I started to think about being a volunteer in order to get to know more people and the community better. I have a friend who had been volunteered in St. Luke's before, and she recommended that I work here.

#### **What do you find most rewarding about your volunteer assignment?**

I feel most rewarded when I was told by the people "Thank you" and I saw their satisfactory faces.

#### **What do you enjoy doing in your free time?**

I enjoy cooking at home, traveling with my family, watching movies and reading with my son.

#### **What is your favorite TV show?**

"Desperate Housewives"

*"Maggie is sweet and kind-hearted; always willing to help out when she can."*
