#### Why do you choose to volunteer at St. Luke's?

I enjoy people, so being able to be with a variety of people while helping to fill a volunteer position in the hospital is why I choose to volunteer!

#### What do you find most rewarding about your volunteer assignment?

Knowing how many volunteers are needed in the hospital, it makes me happy to be able to help in my small way.

#### What do you enjoy doing in your free time?

Spend time with family, especially grandchildren, and have lunches and game days with friends.

#### What is your favorite TV show?

I enjoy game shows!

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the month, and your name could be randomly selected! Winners will be displayed in the cafeteria and Volunteer Services Hallway and receive a Wehrenberg gift certificate.
