Lifetime Hours: 28.47

Volunteer Area: BCC-Cuddler, Flu Clinic
9 months of service to volunteering!

Why do you choose to volunteer at St. Luke's?

I retired from Rockwell recently and had some time to fill. I volunteered here when I was young, first as a babysitter in the children's corner, next as a candy striper.

What do you find most rewarding about your volunteer assignment?

I mainly volunteer as a NICU Cuddler. I enjoy holding the infants, often talking or singing quietly to them. They bring me joy and I hope I can provide the infants with human comfort, too.

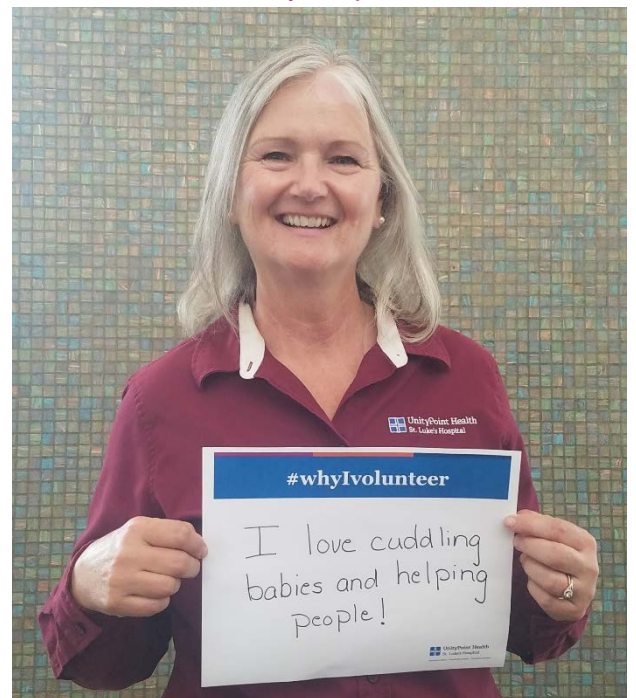

What do you enjoy doing in your free time?

In my spare time, I really enjoy gardening with my husband, Dan. We are fortunate to have a vegetable garden, raspberries, blackberries, strawberries, blueberries, apple trees, cherry trees, as well as a multitude of flowers, flowering bushes, hydrangeas and roses! I also enjoy visiting my 3 "kids" and spouses, and my one precious grandson (who was born 10 weeks early, and therefore my personal connection to NICU care).

What is your favorite TV show?

My favorite TV show is probably "Big Bang Theory" or "The Voice".

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the month, and your name could be randomly selected! Winners will be displayed in the cafeteria and Volunteer Services Hallway and receive a Wehrenberg gift certificate.
