## Why do you choose to volunteer at St. Luke's?

I enjoy people and talking. My sister-in-law suggested that I volunteer after I retired, and I really enjoy it.

## What do you find most rewarding about your volunteer assignment?

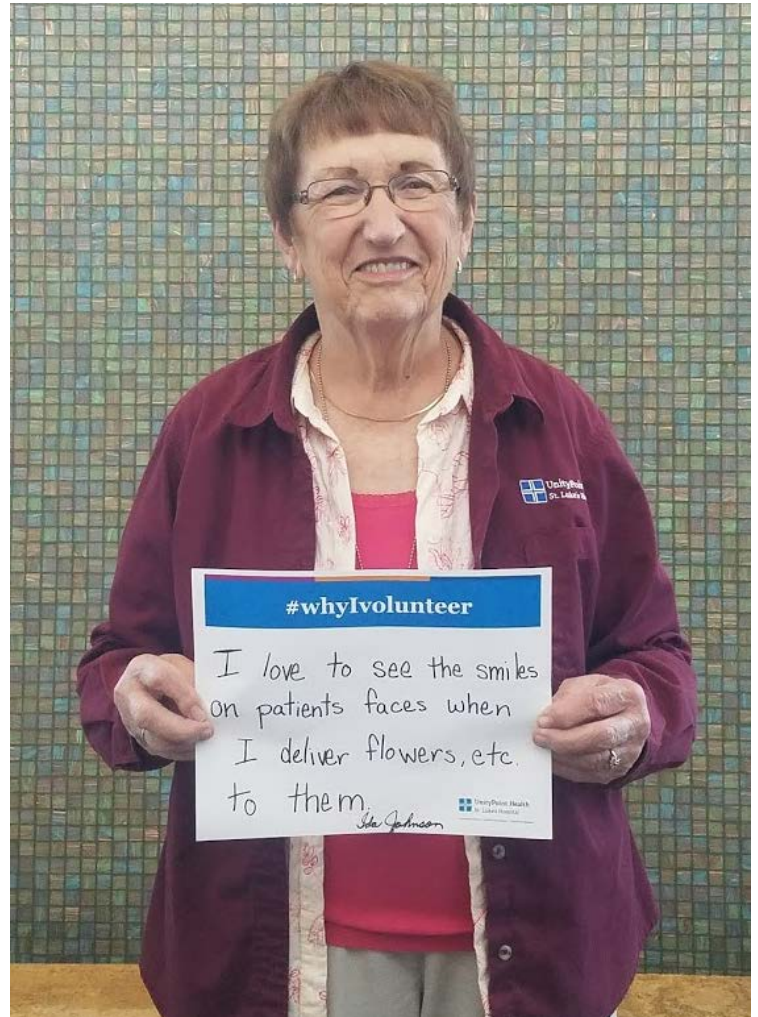

I like to deliver the flowers and talk to the patients. Some do not have visitors and I enjoy talking.

## What do you enjoy doing in your free time?

I have 7 grandchildren I help take care of them.

## What is your favorite TV show?

Family Feud is my favorite show.

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the month, and your name could be randomly selected! Winners will be displayed in the cafeteria and Volunteer Services Hallway and receive a Wehrenberg gift certificate.
