

Volunteer Spotlight

December 2017

Mary Pavlicek

Lifetime Hours: 2516.05

5 years and 10 months of service to volunteering!

Volunteer Area:

Coffee Prep
VS-Special Projects
Pediatric Orientation Tours

Why do you choose to volunteer at St. Luke's?

I started volunteering at St. Luke's to give first grade tours so the children could see what a hospital was like and they wouldn't be so scared if they had to be a patient here.

What do you find most rewarding about your volunteer assignment?

I enjoy giving the tours, but we don't have many anymore, so I also enjoy making coffee, delivering flowers, and newspapers to the patients. It brightens up their day. It is also rewarding to meet other volunteers and make new friends.

What do you enjoy doing in your free time?

Raising vegetables and flowers keeps me busy during the growing season and I also have African violets inside. I've been teaching my granddaughter how to make kolaches when she visits in the summer. Fun!!

What is your favorite TV show?

My favorite TV shows are Madam Secretary and the Good Doctor

What is your favorite quote?

"Do unto others as you would like them to do unto you."

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the month, and your name could be randomly selected! Winners will be displayed in the cafeteria and Volunteer Services Hallway and receive a Wehrenberg gift certificate.
