Why do you choose to volunteer at St. Luke's?

After I retired, I wanted to do something to get out of the house. Volunteering at St. Luke's made sense, since I enjoyed working here. It was a way to give back.

What do you find most rewarding about your volunteer assignment?

I enjoy meeting new people and old friends when I'm at West Desk. I feel like I'm helping them get to their destination.

What do you enjoy doing in your free time?

I enjoy sewing, reading, and spending time with family.

What is your favorite TV show?

I like watching Fixer Upper on HGTV.

What is your favorite quote?

The one that first comes to mind is the one my mother often told me and my siblings: To treat other people the way you would want them to treat you.

"Nancy is always on time, smiling and ready to help out any way she can. She is a pleasure to work with." Connie Curtis

"Nancy is awesome! She is a great volunteer and an asset to St. Luke's. She is always willing to fill in for shifts and goes the extra mile for patients and patient care. We are all so glad that she choose to be a volunteer here." Courtney Duin
