

Volunteer Spotlight

September 2018

Angela Schultz

Lifetime Hours: 3157.07

5 Years and 9 Months

Volunteer Areas: Crochet Afghans for Newborns, Flu Clinic, Medicaid Clerical, 3C Greeter, Sewing Projects, Special Projects

Why do you choose to volunteer at St. Luke's?
St Luke's really chose me. When I moved back to Cedar Rapids in 2012 I called St. Luke's and Mercy and St. Luke's returned my call first.

What do you find most rewarding about your volunteer assignment?

The most rewarding things about my volunteer assignments are the friendships of people I work with. I also have fun! I crochet baby afghans and I am able to keep my skills sharp as a data entry volunteer.

What do you enjoy doing in your free time?

In my free time I love sewing puppy blankets and bandannas for the Cedar Valley Humane Society, tending flowers in my garden, and playing with my grand-dog Kona. Kona is a therapy dog who brings joy and happiness to many people, especially me.

What is your favorite TV show?

I do not watch much TV. I occasionally watch PBS. I would rather read a good book.

What is your favorite quote?

"We create the reality in which we live." James Farrell

Our Volunteer Spotlights are randomly chosen.
All you have to have volunteer service in the previous month, and your name could be randomly selected!
Winners will be displayed in the cafeteria and on the volunteer services hallway bulletin board.
You will also have a write up in Images and be posted on Facebook.
