Why do you choose to volunteer at St. Luke's?

I volunteer at St. Luke's to help make a positive impact in my community. Many people have to come here for various circumstances, making it an eye-opening experience that I will be able to carry over into the future.

What do you find most rewarding about your volunteer assignment?

The most rewarding part about volunteering is genuinely making someone's day a little better. Sometimes it's easy to get caught in a self-involved outlook. Being able to take a step back and help others around is a great feeling.

What do you enjoy doing in your free time?

Playing Videogames has always been a go-to. As well as watching some Netflix/Hulu with friends. I also like to stay on top of reading whether it's a short story, novel, or memey internet articles.

What is your favorite TV show?

Seasons 1 through 8 of Scrubs

What is your favorite quote or saying?

"In any moment of decision, the best thing you can do is the right thing, the next best thing is the wrong thing, and the worst thing you can do is nothing."

Theodore Roosevelt

"Blake brings a strong Customer Service background to our team. He is positive, approachable, and a quick to adapt to this new setting." ~ Jaclyn Hall

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the previous month, and your name could be randomly selected! Winners will be displayed in the Cafeteria, Volunteer Services hallway and in Images. They also receive 2 courtesy coupons.
