

Volunteer Spotlight Month 2019

Mike Schmidt

4 years, 11 months

849 hours of volunteer service!

Volunteer Area: SHIIP (Senior Health Insurance Information Program) Counselor

Why do you choose to volunteer at St. Luke's?

Recommended by a friend. I also had personal experience navigating complicated health insurance issues and understand how frustrating it can be. SHIIP was a good fit.

What do you find most rewarding about your volunteer assignment?

Having a client leave a counseling session confident that they have made an informed choice. Also rewarding is the appreciation folks show!

What do you enjoy doing in your free time?

Biking, traveling, cooking, and gardening.

What is your favorite TV show?

It's old.....Madmen.

What is your favorite quote or saying?

Always remember that you are special.....just like everyone else.

Mike is a very caring and conscientious person who will go above and beyond to make sure that his clients have a thorough understanding of Medicare so that they are able to choose the best medical plan to support their needs. He also treats his clients with respect and has also a great sense of humor. Any of our clients would be very fortunate to have Mike as their SHIIP counselor.
