

# October Volunteer Spotlight

## Alaina Lovetinsky

**1 Years and 5 Months**

### Why do you volunteer at St. Luke's?

I wanted to have a way to weekly serve members of our community. In addition, volunteering in the Imaging department has given me an opportunity to see what a normal day looks like in the career path I was interested in and am now pursuing!

### What do you find most rewarding about your volunteer assignment?

I have an opportunity to make patients feel at ease before a sometimes scary procedure.

### What do you enjoy doing in your free time?

Being a busy senior in High School definitely leaves me with little free time, but I do enjoy playing volleyball and archery, baking, spending time with my friends and family, and of course volunteering whenever I can!

### What is your favorite TV show?

I don't really watch TV, but one show I do enjoy is watching Psych with my family.

### What is your favorite quote or saying?

1 John 3:18 - "Dear children, let's not merely say that we love each other; let us show the truth by our actions."

I think voluntarily giving up our time for others is one of the best ways to show we care.
