

November Volunteer Spotlight

Adult

Alice Wrage

15 Years and 1 Month

Why do you choose to volunteer at St. Luke's?

After I became a widow, I found I had extra time to fill.

What do you find most rewarding about your volunteer assignment?

Volunteering at St. Luke's flower shop gave me the opportunity to work designing flowers. The best part is meeting new people and making new friends.

What are the benefits to you of volunteering at St. Luke's?

There are always things to learn about arranging flowers and what people like and will purchase. My rule of thumb is if I'd buy what I made then it is okay, but if not, then I take it apart and start over.

Sometimes it's hard to find the right words in expressing ourselves but gifting a flower arrangement says it all.

Volunteer Area:

Floral & Gifts

Lifetime Hours: 2,343

"Alice is very talented floral designer and is willing to try just about anything. We are very lucky to have her on our design team!"
