

# October Volunteer Spotlight

## Student

### Alton Bauer

1 Year and 1 Month

#### Why do you volunteer at St. Luke's?

I chose to volunteer at St. Luke's because I love seeing people smile when they hear me play. I know it makes them happy, so I'm glad to see I'm making someone's day better.

#### What do you find most rewarding about your volunteer assignment?

To see the smile that I can put on people's faces when I play.

#### What are the benefits to you of volunteering at St. Luke's Hospital?

Some benefits I've taken from volunteering are an increased sense of the wonderful community at St. Luke's and all the relationships I've built with my fellow volunteers.

#### What would you like to see changed about your volunteer assignment?

I don't really have anything that I would like to change about my assignment, because I'm happy with what I'm already doing for people and myself. Spreading happiness!!

**Volunteer Area:**

Musician - Cello

**Lifetime Hours:**

52

"When words fail, music speaks."

-Shakespeare

\*Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in the previous month, and your name could be randomly selected!
