

Volunteer Spotlight

February 2016

SaCora Fisher

425 Lifetime Hours

3 years of service to volunteering

Area of Service: West Desk Escort, VS Receptionist, Medicare Signatures, BCC Education and Support Group Aide

Why do you choose to volunteer at St. Luke's?

I am a St. Luke's volunteer because I love making other people's day brighter.

What is your most memorable volunteer experience at St. Luke's?

I have so many memorable experiences from volunteering that I don't think I have a 'most' memorable one. However, I recently had a funny experience while I was trying to acquire Medicare signatures. As soon as I went into a patient's room, the patient and his family tried to set me up with their grandson. They asked me all about my life and were really nice. When I left the room, I heard them talking about how I was a nice girl and that they wished their grandson could've been there to see me.

What do you find most rewarding about your volunteer assignment?

I truly appreciate the other volunteers I have been able to work at the West Desk and in the volunteer office. Those people have come to mean a lot to me. I also love how I have been able to leave patients' rooms knowing that I made their day a little better. I always have fun when I am able to talk with the patients about their lives in an encouraging way.

What or who motivates you to volunteer?

My initial motivation to volunteer is my love for people. However, some extra incentives for volunteering have been the potential to earn a silver cord for graduation and to gain experience in the career field I want to pursue.

What you are not volunteering where can we find you?

I am involved in student senate, NHS, band, choir, etc. I work at Menards. I love to read, hang out with friends and go to sporting events. I hope to become a physician that specializes in internal medicine and dermatology. I am determined to fulfill my dreams and nothing but me can stop me (which is not going to happen).
