Where have you volunteered at St. Luke's?
West Desk Info & Escort

Why do you choose to volunteer at St. Luke's?
I chose to volunteer because I wanted to have some exposure to working in the hospital and because I love to be able to connect with patients and lend a helping hand.

What is your most memorable volunteer experience at St. Luke's?

My most memorable moment volunteering was on my first day when I showed a lady to Surgicare. Once I found the waiting room, I had no idea how to get back. So, I went to the nearest elevator. When the door opened, I was outside on the other side of the building but then I just walked back to the front side of the hospital.

What do you find most rewarding about your volunteer assignment?

The most rewarding part of volunteering is helping the patient be in a better mood either by making them laugh or wishing them the best of luck.

What or who motivates you to volunteer?

My motivation for volunteering is knowing that I can positively impact people's day.

When you are not volunteering, where can we find you?

Outside of the hospital I play tennis for my school and I'm a member of S.O.D.A and T.R.Y and show choir crew. I usually spend my weekends hanging out with friends. When I grow up, I want to be a chemical engineer.

Our Volunteer Spotlights are randomly chosen. All you have to do is volunteer in that month, and your name could be randomly selected! Winners will receive a \$5 Gift Certificate and be displayed in the cafeteria and Volunteer Services Hallways.
