

The Advisor

A publication of the Auxiliary at UnityPoint Health – St. Luke's Hospital

October 2016

St. Luke's sign will be purple during the month of November

The next Click for Babies will be held in the lobby of Women's and Children's October 15, 9-1:00 PM. November is right around the corner and St. Luke's proudly participates in the Period of Purple Crying/Click for Babies campaign. All babies born at St. Luke's during the month of November will receive a purple cap, their parents are then offered an opportunity to view a video teaching about the dangers of Shaken Baby Syndrome. St. Luke's Auxiliary is happy to help in this wonderful campaign by offering purple yarn and patterns to those that knit or crochet. If you'd like to knit or crochet purple baby caps please stop by the Auxiliary office to pick up some purple yarn and a pattern. If you have any questions, please call or e-mail Lisa at the Auxiliary office-319-369-7804/lisa.parrish2@unitypoint.org

Our History Fast Fact...

During its first full year of existence, the St. Luke's Hospital Auxiliary, under the direction of Mrs. Worth Averill as President, consisted of 594 volunteers who provided 10,908 hours of service and made 50,019 items such as surgical dressings and maternity packets. The leading activities of the auxiliary included sorting and delivering patient mail, caring for patients; flowers and plants, providing magazines for patients, assisting with children in pediatrics, doing clerical tasks, and providing a motor corps. Soon to come would be a new gift shop in the snack bar area off of the main lobby, with proceeds going to the nurses scholarship fund.
