A way to say thank you
to your caregiver

Guardian Angel Program

UnityPoint Health Cedar Rapids

UnityPoint Health
St. Luke's Foundation

After your care at UnityPoint Clinic or St. Luke's Hospital, you may want to thank those who helped you. Many patients and families do, with a Guardian Angel donation.

A gift of gratitude that says
Thank you!

Many patients and families express their gratitude through smiles, letters of thanks, or homemade treats. The Guardian Angel program at UnityPoint Health Cedar Rapids offers another way for patients and their loved ones to say thanks while making a meaningful impact on our ability to provide quality care.

The Guardian Angel program helps grateful patients and families recognize those who've made a difference in their lives. Those so moved offer a donation to St. Luke's Foundation in honor of any team member, doctor, volunteer or department for their work, and those individuals receive a Guardian Angel award.

Hearing the words "thank you" from a patient or family means so much. Gifts received through the Guardian Angel program pay tribute to caregivers who have enriched your life while also helping to provide resources for a healthier tomorrow – for you, your family and our community.

“Our nurses were compassionate and professional. They took the time to listen and empathize. I knew I was in the best place to get the help I needed.”

Do you have a
Guardian Angel?

Guardian Angel gifts can be any size – there is no minimum or maximum donation amount to honor your caregiver. A recognition ceremony is held for every Guardian Angel gift – giving special honor to those who go above and beyond.

For questions, please call St. Luke's Foundation at (319) 369-7716.

Every Guardian Angel awardee

- Is recognized publicly among their peers for their exemplary care.
- Receives a message of thanks from the donor and a lapel pin to wear proudly.

“With all our hearts, we wish to thank two special UnityPoint Hospice caregivers. Your hearts are GOLD.”
