UnityPoint Clinic Career Fairs Go Virtual

During these interesting times of social distancing and virtual gatherings, UnityPoint Clinic has been innovative and proactive in our approach to connecting with residents and fellows. We are excited to now be hosting virtual career fairs to meet you where you are and gain a better understanding of what you are looking for as you begin your career search.

We hosted our first virtual event on October 6th and our next virtual career fair is coming up in November. We would appreciate opportunity to connect with you virtually - please keep an eye on your email with details on how to join next month's event.
