Welcome
Our goal is to make your visit as easy and convenient as possible. If you need directions or other information, please ask any employee or volunteer. Employees can be identified by their photo ID badge, and volunteers wearing blue jackets are stationed throughout the hospital to help you.

Finding Your Way – COLOR CODES
To help you find your way, we have assigned colors to different areas of our campus. The department list (to the right and continued inside) tells you the colored section where that service is located, as well as the building/wing and the floor. The areas of our campus include:

- **Blank Children’s Hospital**
- **Critical Care Unit and Cath Lab** (Northeast Addition)
- **Education and Research Center**
- **Emergency Department**
- **Methodist Plazas I, II and III** (1212, 1215 and 1221 Pleasant Street)
- **North Wing**
- **South and East Wings**
- **Powell and Maternity Center**
- **Younker**

Please refer to the map inside and the colored directories on the walls throughout our campus to find the area you are looking for.

- EKG – East Wing, 3rd Floor

**Administration (UnityPoint Health – Des Moines)**
Education and Research Center
1415 Woodland Avenue, 2nd Floor

**Admissions** – see “Patient Registration”
Tips to help you find your way

- Keep in mind that our campus is built on a hill. The 5th floor of Younker/Powell is the same level as the 1st floor of the main hospital. Look for the crossovers to travel to and from each side of the campus.

- Look for wall directories throughout our campus (next to elevators and at hallway intersections). Major areas of the hospital are listed and color-coded. As you get closer to a given area, the directories will become more detailed listing the departments located in that area.

- Most elevators are labeled with overhead signs and are named according to the areas they serve.

PATIENT REGISTRATION

Most patients arriving for outpatient tests and labs need to register at Patient Registration on North 1, near the main entrance (entrance #2).

Patients having a surgical procedure, cath lab procedure or cardiovascular or neurological test, must register in the Surgery Center on East A (entrance #7).

Important Phone Numbers

Chaplain .......................................................... 241-6212
Emergency Department
  Adult .......................................................... 241-6213
  Pediatric ................................................... 241-6611
Main Hospital Number .............................. 241-6212
Patient Access/Registration ......................... 241-5089
Patient Transport .................................. 241-7999
