Iowa Methodist Medical Center
Iowa Methodist Medical Center was established in 1901 and is known as an important regional medical center, teaching hospital and Level 1 Trauma Center. Iowa Methodist specializes in emergency and trauma treatment, cancer treatment, cardiovascular care, kidney transplant, surgery, maternity and women’s care, Younger Rehabilitation Center and orthopaedics.

Iowa Lutheran Hospital
Since 1914 Lutheran Hospital has a history of serving the Des Moines community and Central Iowa with a patient-centered, caring atmosphere. The hospital specializes in maternity services, emergency care, chemical dependency treatment, behavioral health, general surgery, critical care, cardiovascular care and transitional care services.

Methodist West Hospital
In October 2009, Methodist West Hospital opened its doors to serve our growing community. The hospital specializes in orthopaedic services, emergency treatment, and maternity services as well as numerous outpatient services.

Blank Children’s Hospital
Opening in 1944, Blank Children’s Hospital is a 108-bed facility with more than 90 different pediatric specialists. Blank Children’s provides a comprehensive array of medical care services, family support services, and community health and outreach programs. Blank Children’s embraces a family-centered care philosophy where families are recognized as the most important part of a child’s healing process and are encouraged to be actively involved in their child’s care.

Grinnell Regional Medical Center
Since 1919, Grinnell Regional Medical Center (GRMC) has been providing area residents primary and specialty health care services, close to home. This community hospital offers emergency and maternity services and specializes in bariatric and other robotic surgeries. GRMC is actively engaged in the health and wellness of its local communities.

John Stoddard Cancer Center
The John Stoddard Cancer Center remains at the forefront of cancer care in Central Iowa. The Stoddard Cancer Center is among the most technologically advanced and diverse cancer centers in the Midwest and offers a high standard of care coming from decades of research, cancer treatment experience and technological superiority.

Eyerly Ball Community Mental Health Services
Eyerly Ball was organized in 1969 as a nonprofit organization representing the disciplines of psychiatry, licensed mental health professionals and community based social workers. The purpose of Eyerly Ball is to provide a full continuum of quality behavioral health care including integrated care coordination, outpatient treatment, community-based services, crisis services, jail diversion and residential services.

UnityPoint Clinic
UnityPoint Clinic offers comprehensive services in urgent care, family medicine, internal medicine, pediatrics and obstetrics/gynecology. UnityPoint Clinic also offers a wide range of specialty services, including general surgery, cardiology, weight loss, sports medicine and psychiatry among others. We offer more than 50 convenient clinic locations to meet the community’s health care needs.

UnityPoint at Home
UnityPoint at Home serves the critical role of coordinating with UnityPoint Clinic and UnityPoint Health hospitals to provide patients and families with the resources and care necessary to achieve wellness at home. Whether learning to manage a chronic disease, transitioning home from the hospital, or rehabilitating after an injury or surgery, UnityPoint at Home continues the level of care necessary to help restore health, well-being and independence all from the comfort of home.

UnityPoint Hospice
Facing the end of life can be an overwhelming and challenging time for a family and their loved one. UnityPoint Hospice is here to give families the ability to embrace life through these times and provide dignity, hope and comfort for their loved ones during their end-of-life journey. Hospice services can be provided at home or at Taylor House Hospice located in Des Moines.

UnityPoint Health - Des Moines Foundation
The UnityPoint Health - Des Moines Foundation raises, manages and distributes funds that promote and support programs and services provided through the facilities of UnityPoint Health - Des Moines. Thoughtful gifts of all sizes make possible advancements in medical research, state-of-the-art equipment and programs, and services that meet the specific needs of our patients and community.
