

UnityPoint Health® – Des Moines

Yunker Rehabilitation

AT IOWA METHODIST MEDICAL CENTER

2016 Outcomes Report

Yunker Rehabilitation, with 50+ years of experience, offers acute inpatient rehabilitation to individuals with a variety of illnesses and injuries resulting in impairments. Each person is evaluated and treated by an interdisciplinary team of rehabilitation specialists. Based on specific individual needs and personal goals for improvement, the team uses diverse skills and rehabilitation knowledge to positively affect the person's functional ability.
