Adult CCRN Certification Review

August 31 & September 1, 2020
Day 1: 0730-1630; Day 2: 0730-1645

Iowa Methodist Medical Center | Education and Research Center | Kelley Conference Room

Intended Audience:
Critical Care Nurses

Purpose:
This two-day seminar is designed to assist critical care nurses in preparing for the CCRN Adult Exam. The goal is to give comprehensive, understandable and retainable information based on the latest CCRN Adult Exam Blue Print. This review is not an introduction to the environment of critical care, but a comprehensive update for the professional already in practice at the bedside and is preparing for the Certification Examinations.

Learning Outcomes:
At the conclusion of this education activity, participants should be able to
- Self-report the knowledge gained to evaluate assessment and diagnostic findings related to critical care conditions.
- Self-report the knowledge gained to plan interventions to meet patient care needs.
- Practice test taking skills in preparation for the certification exam.

Speaker:
Vicki Milledge MSN, PCCN, CCRN, VA Medical Center, Des Moines, IA
