Cancellation Policy
The registration fee, minus $85 is refundable up to 5 working days prior to the program. After that time, no refund is available.

UnityPoint Health – Des Moines reserves the right to cancel the program due to insufficient enrollment. If this occurs, participant’s entire registration fee will be refunded.

Courses cancelled due to adverse weather conditions will be rescheduled. Participants will be granted a refund if there is a conflict with the new date.

Continuing Education Credit
CEU: Approved for 1.43 CEU’s by the Iowa Board of Nursing Provider #31 UnityPoint Health - Des Moines.

CEH: Approved for 9.75 credit hours by Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS). An email notice will be sent after the course to claim credits online.

CME: UnityPoint Health – Des Moines is accredited by the Iowa Medical Society to provide continuing medical education for physicians.

UnityPoint Health – Des Moines designates this live activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Heart Association strongly promotes knowledge and proficiency in all AHA courses and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course materials, do not represent income to the AHA.

Purpose & Intended Audience
To provide physicians, nurses, and paramedic personnel the current concepts in adult emergency cardiac care as defined by the American Heart Association (AHA).

Objectives
Upon completion of the course, the participant will have:

- Demonstrated proficiency in providing BLS care, including prioritizing chest compressions and integrating automated external defibrillator (AED) use.

- Recognized and managed respiratory and/or cardiac arrest until termination of resuscitation or transfer of care, including immediate post-cardiac arrest care.

- Recognized and initiated early management of Acute Coronary Syndrome and Acute Stroke.

- Demonstrated effective communication as a member or leader of a resuscitation team.

- Completed the written exam with a score of 84% or higher.

Pre-requisites
Successful completion of the Pre-assessment with 70% or higher. See page ii of the ACLS Provider Manual to access the Student Website. This pre-assessment must be returned at least two weeks prior to the course to guarantee your seat in the course. Confirmation information will be sent after receipt of the pre-assessment.
