

# 2022 HeartCode ACLS

## Purpose & Intended Audience:

HeartCode ACLS (Online-Step 1) is a self-directed, comprehensive eLearning program that uses adaptive learning technology to allow learners to acquire and demonstrate ACLS Skills using a personalized learning path that adapts in real time to a learner's performance. The Program is designed for health care professionals who need ACLS training for their clinical duties. HeartCode ACLS Online consists of a cognitive portion that is completed online.

A separate (hands on) psychomotor skills assessment (Step 2) with an AHA Instructor is required to earn a valid AHA ACLS Provider eCard that is valid for 2 years.

## Course Requirements:

Log onto the American Heart Association website at <https://elearning.heart.org/course/438> for the HeartCode ACLS Online (Step1). Click on "Purchase", complete the online registration & pay by credit card.

Complete all the lessons. Print out HeartCode certificate showing completion of the Step 1 online portion. Email certificate to [DM\\_CTC@unitypoint.org](mailto:DM_CTC@unitypoint.org)

Contact the UnityPoint Health–DM Training Center to schedule Step 2 skills practice and testing. This takes approximately 2 – 4 hours based on the number of learners.

The cost is \$100.00 for the hands-on portion. \$80.00 for UPH Clinic employees.

An additional \$50.00 will be charged if you need to reschedule.

Make checks payable to UnityPoint Health-CTC or call 515-241-6811 to pay with credit card.

An ACLS Provider eCard will be issued after the successful completion of the skills portion.

## CME/CEU/CEH:

Continuing Education Credit is provided by the AHA upon successful completion of the Step 1 computer portion for physicians, physician assistants, nurses, pharmacists, and EMTs/paramedics.

No CME/CEU/CEH credit will be awarded from the UnityPoint Health-Des Moines Training Center for Step 2.
