

# Nurse Residency Pediatric Track

## OVERVIEW

Specialty areas available to choose within the Pediatrics Orientation Track include:

- General Pediatrics
- Pediatric Hematology/Oncology
- Pediatric Intensive Care Unit
- Pediatric Emergency Department

Minimum 12-week educator and preceptor guided orientation.

Learning continues weeks 13-24 with didactic, online, simulation and interdisciplinary experiences.

Our goal is to partner with children and their families to achieve health care goals and return to their home environment.
