

**Iowa Methodist Medical Center**  
Department of Surgery Education  
Mission Statement

The Department of Surgery Education, its faculty and residents will be dedicated to training and mentoring high quality general surgeons, and will...

- Prepare residents for careers across the spectrum of general surgery or fellowship training in a surgical subspecialty
- Provide quality surgical education for medical students and promote interest in surgery as a career
- Encourage a strong spirit of research, inquiry, and scholarship
- Foster an environment of lifelong learning
- Embody camaraderie among surgeons at all levels of learning
