

VIRTUAL VISITORS

Stay connected to those who matter most. While visitor restrictions may limit your contact with friends and family during your stay, many phones, tablets, and computers have free and easy ways to stay in touch.

Common Video Chat Apps on Smartphones and Devices:

APPLE

FaceTime

ANDROID

Google Duo

If your personal device has a camera but does not have FaceTime or Google Duo, you can download one of the apps below to connect with loved ones via video, voice or text.

Facebook Messenger
(messenger.com)

Skype
(Skype.com)

Google Hangouts
(hangouts.google.com)

Google Duo
(duo.google.com)

WhatsApp
(whatsapp.com)

Signal Private Messenger
(signal.org)

Zoom
(zoom.us)

Don't forget to connect to WiFi

From your device:

- Find your list of available wireless networks and select "UnityPoint Guest wifi" to join.
- Once connected, a page should automatically open in your default browser that says "Public Wireless Service – Terms and Conditions of Use".
- Please review and select the "Accept" button at the bottom to complete the connection.
