

Safe care ♥ your way.

At UnityPoint Health, the health and safety of our patients, communities and team members is at the center of everything we do. We're here for you with safe options to get the care you need in a way that works for you.

IN-PERSON VISIT

It's important for adult and kids to continue receiving routine care, like wellness visits and vaccines.

VIDEO VISITS WITH YOUR CARE TEAM

It's important for people with a chronic illness to continue receiving care that's important to their conditions.

We have **many** ways for you to receive the care you need

VIRTUAL VISITS

If you have a medical emergency, do not hesitate to call 911 or come to the emergency department.
