At UnityPoint Clinic®, our nurses play a pivotal role in creating the *Best Outcome Every Patient Every Time*® and in providing a comfortable experience for our patients and their families. Each day, UnityPoint Clinic nurses have the opportunity to be part of someone's best day. Their ability to impact people's lives brings out the best in them as a nurse.

Nurses at UnityPoint Clinic are a major component of a patient's journey. From answering questions to giving vital information to family members, nurses help ease the minds of everyone who enters the facilities. Nurses work closely with our medical team members and assist with triage responsibilities.

Professional growth and advancement opportunities are available.
