## Employee Giving Committee

You have the opportunity to participate in the Employee Giving Committee. This committee helps plan for the campaign and meets 3-4 times a year.

- I am interested in being a member of the Employee Giving Committee. *Interested employees will be contacted in 2021 to begin the process of committee membership.*

## Passion Areas and Their Impact

### Compassion Fund

This NEW program to the GRMC Foundation provides support to patients and families beyond what the hospital can provide. Assistance is based on financial needs and responds to the unique circumstances of the patients and families. **Examples:** gas cards to travel to appointments, lodging, small equipment and one-time prescriptions. This assistance provides peace of mind and helps reduce stress on patients and families during a challenging time.

### Employee Crisis Fund

Helps meet the immediate emergency needs of employees who have been impacted by personal crisis such as prolonged illness, death or weather event. **Impact:** UPH System funded \$26,500 to 139 Grinnell employees through the derecho relief cash cards and additional support to team members most effected by the damage. The GRMC Foundation, through the dollars raised by the 2020 EGC, has provided \$6,000 to employees for crisis assistance (not related to the derecho) this year.

### New Medical Equipment

Can provide new life-saving, safe patient-handling equipment to increase comfort for our patients and equip GRMC to provide a healthier, more ergonomic working environment for our team members. **Impact:** The 2019 EGC funded new patient chairs for Med/Surg. The chairs provide comfort for patients, offering a number of recline and flat bed positions. The recliners promote recovery by helping patients get out of bed faster and provide a comfortable alternative for patients and families.

### Area of Greatest Need

Unexpected events happen and may create an unanticipated expense. When you give to unrestricted funds, your donation can help expend them as needs arise. **Impact:** The OB Department unexpectedly had lights in need of replacement. The support of unrestricted funds helped provide new lighting in the OB rooms essential to safe-patient care.

**Know that 100% of your donation stays local and goes directly to the area you designate. Gifts are tax-deductible as prescribed by law. Thank you for supporting the Foundation.**
