

ALSO® INSTRUCTOR COURSE

The **Advanced Life Support in Obstetrics (ALSO) Instructor Course** equips current ALSO Providers with the skills and knowledge they need to effectively teach ALSO courses. ALSO is an evidence-based, interprofessional, and multidisciplinary training program that equips the entire maternity care team with skills to effectively manage obstetric emergencies. This comprehensive course encourages a standardized team-based approach amongst physicians, residents, nurse midwives, registered nurses and other members of the maternity care team to improve patient safety and positively impact maternal outcomes.

COURSE ELIGIBILITY

Any clinician providing obstetrical care who has already obtained their ALSO Provider status is eligible to become an approved ALSO Approved Instructor. This includes physicians as well as residents, registered nurses, midwives, nurse practitioners, paramedics, and physician assistants or any other healthcare worker who has obtained their ALSO Provider Status. The ALSO Instructor Course equips current ALSO Providers with the skills and knowledge they need to effectively teach ALSO courses. Any learner in the ALSO Instructor Course who has not completed the most current version of the ALSO online content must do so prior to the Instructor Course to familiarize themselves with the course's new educational format.

OVERALL COURSE OBJECTIVES:

1. Discuss educational tools that can be used when giving feedback to ALSO® course participants.
2. Describe how to assist participants in dealing with questions and conflicts that can occur in the workstations.
3. Demonstrate teaching capabilities by providing hands-on role-play utilizing maternal-fetal mannequins along with timely feedback in order to adapt teaching methods to various situations.
4. Demonstrate the ability to facilitate group discussion, as well as consider ways to implement faculty and learner feedback to enhance the educational experience.

CME & CNE INFORMATION

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit amount is pending. CME credit for the Instructor course can be obtained by physicians only at this time. This course does not qualify for CNE nursing contact hours due to nursing state board regulations.

MAINTENANCE OF CERTIFICATION

The American Board of Obstetrics and Gynecology (ABOG) MOC standards now allow participation in ABOG-approved Simulation Courses to meet the annual Improvement in Medical Practice (Part IV) MOC requirement for OBGYNs. This course has been approved to meet ABOG Improvement in Medical Practice requirements for 2016-2018. Please review the 2016 MOC Bulletin at www.abog.org/bulletins/MOC2016.pdf for further information.

COURSE DISCLAIMER

The material presented at this course is being made available by the American Academy of Family Physicians for educational purposes only. This material is not intended to represent the only, nor necessarily the best, methods or procedures appropriate for the situations discussed, but rather is intended to present an approach, view, statement, or opinion of the instructors which may be helpful to others who face similar situations.

The AAFP disclaims any and all liability for injury, or other damages, resulting to any individual attending this course and for all claims which may arise out of the use of the techniques demonstrated therein by such individuals, whether these claims shall be asserted by a physician, or any other person.

Every effort has been made to assure the accuracy of the data presented at this course. Clinicians may care to check specific details, such as drug doses and contraindications, etc., in standard sources prior to clinical application.

This Course has been determined to be a Level 2 classification under the AMA PRA Credit and Classification Guidelines. The AAFP does not certify competence upon completion of the ALSO Instructor Course, nor does it intend this course to serve as a basis for requesting new or expanded privileges.

AMERICAN ACADEMY OF FAMILY PHYSICIANS

ALSO Instructor Course

Wednesday, Oct 2, 2019

UPH- Meriter
5 East Sim Lab
202 S. Park Street
Madison, WI 53715

Mother Baby Care Education

COURSE PRE-WORK

Learners will be provided an email with instructions on how to instantly access, download and print the ALSO Instructor Manual to read/review prior to the course. There are no pre- or post-test requirements. Upon completion of the evaluation and claiming of credit at the live course, the letter of participation will be emailed to each learner individually.

AFTER THE COURSE

Upon course completion, the Course Sponsor is responsible for providing post-course documentation to the ALSO Program within 2 weeks. After the Course Sponsor has submitted all required post-course documentation, learners who successfully passed the course will be emailed letters of participation by the AAFP.

Learners will be designated as ALSO Instructor Candidates after receiving a passing grade for this course. Instructor Candidates are then required to:

- Be observed by an Advisory Faculty teaching in one ALSO Provider Course within 1 year of their Instructor Course date.
- Have the Advisory Faculty of that course recommend your status be changed from ALSO Instructor Candidate to ALSO Approved Instructor.

Please Note: There are no wallet cards generated until the Instructor Candidate is observed teaching the first time and an Advisory Faculty recommends the Instructor Candidate have their status officially changed to an ALSO Approved Instructor within the AAFP database. Within 4 weeks of being observed teaching a course and receiving the recommendation, the AAFP will email a wallet card to the learner indicating their new status of ALSO Approved Instructor with applicable expiration dates.

ALSO Approved Instructor status is maintained by teaching in either three ALSO or BLSO courses within a five-year time period. Teaching in an ALSO Instructor Course does qualify the same as teaching in an ALSO Provider Course, and those who instruct in this course may additionally receive CME credit when applicable.

LIVE PORTION OF THE COURSE

AGENDA

<u>Time</u>	<u>Activity</u>
7:30-8:00	Registration
8:00-8:15	Welcome, Overview, Course Concepts (15 min)
8:15-8:45	Lecture: Adult Based Learning (30 min)
