

**MERITER IRB #:** 2016-005

**RESEARCH PROTOCOL TITLE:** Travel During Pregnancy

**PRINCIPAL INVESTIGATOR:** Kathleen M Antony, M.D.

**STUDY PURPOSE**

The purpose of this research is to find out what percent of pregnant women travel during pregnancy. We will be asking postpartum women whether they traveled during their pregnancy. We will be asking about travel within the state of Wisconsin, travel around the country, and international travel.

**RESEARCH PROCEDURES**

This study involves completing a survey. The survey will take approximately 15 minutes to complete.

**ELIGIBILITY CRITERIA FOR SUBJECTS**

1. Female
2. At least 18 years old
3. Admitted to the postpartum unit due to recent delivery

**COMPENSATION/REIMBURSEMENT**

There is no reimbursement for participating in this study.

**RESEARCH LOCATION AND CONTACT PERSON**
