The Association of Spiritual Caregivers

The UPH-Meriter Association of Spiritual Caregivers (ASC) is a voluntary association of area faith and practice leaders, chaplains from various healthcare systems, and lay spiritual caregivers whose focus is upon providing opportunities for networking, relationship building, and education which connects healthcare systems to community needs and resources. The ASC assists the UPH-Meriter Department of Spiritual Care's goals by providing Night Chaplains, connections with other area healthcare systems, and education.
