RAPIDpass

RAPIDPass can save you time at the blood drive. Complete the questions and reading on your own laptop, desktop, or mobile device on the day of the drive, print out your pass or email it to your mobile device. When you come to the drive, present your pass and you then just need to complete the health screening. On the day of the drive, go to www.redcrossblood.org/rapidpass to get started.

Appointments are available every 15 minutes and walk-in donors are always welcome! If you cannot schedule an appointment but hope to walk-in, let us know and it will save wait-time when you come to the drive.

Employees may donate during work hours. Please check with your supervisor for coverage while you donate.

Use our sponsor codes on-line, on the blood app, or when you call the American Red Cross to schedule your appointment.
